

## Transgressive Sex: Subversion and Control in Erotic Encounters (Paperback)

Filesize: 1.04 MB

### ***Reviews***

*Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*  
(Bernie Mante PhD)

**TRANSGRESSIVE SEX: SUBVERSION AND CONTROL IN EROTIC ENCOUNTERS (PAPERBACK)****DOWNLOAD**

Berghahn Books, United Kingdom, 2012. Paperback. Condition: New. Language: English. Brand new Book. Hastings Donnan and Fiona Magowan have compiled a series of chapters on the cutting edge of sexuality and gender studies. All of the authors presented here are quite honest in narrating the challenges they experienced in undertaking difficult research subjects in often sensitive areas. The researchers and editors of the volume are to be commended for addressing such complex topics in an unessentialized manner and providing insight into areas of sexuality that are not often discussed. *American Ethnologist* The twelve well-considered and researched papers in this volume are all based on empirical data spread across the globe from Ireland to Thailand. They deal with every possible location of sexuality, in kinship, in witchcraft, in national politics and in fieldwork to name some. The introduction to the volume highlights the theoretical concerns and salient points of discussion. *Anthropological Notebooks* This book offers some challenging perspectives on sexual variability. Its chapters collectively make the case against diagnosing some manifestations of that variability as "healthier" than others -- a habit that still finds its way into pedagogy and clinical practice, even as it becomes rarer in anthropological theory. This book will be of interest to scholars interested in the comparative study of sexuality and would be a useful pedagogical tool for graduate and advanced undergraduate instruction in that field. *Medical Anthropology Quarterly* Sex is often regarded as a dangerous business that must be rigorously controlled, regulated, and subjected to rules. Sexual acts that defy acceptable practices may be seen as variously defiling, immoral, and even unnatural. They may challenge and subvert both cultural preconceptions and the social order in a politics of sexual transgression that threatens to transform permissible boundaries and restructure bodily engagements. This collection of essays explores acts of sexual...
